

Pursuant to Local Rule 6-1, Plaintiff Cloakworks Inc. and Defendant Cloakware Inc. (“Cloakware”) hereby stipulate and agree that Cloakware shall have until June 11, 2008, by which to file an Answer or other responsive pleading or motion to the Complaint filed in this action. This extension is necessary so that Cloakware and its counsel can investigate the allegations set forth in the Complaint and determine what defenses are available to it. Cloakware expressly reserves its right to assert any defenses it may have, including ineffective service of process and lack of jurisdiction (both subject matter and personal), and does not waive any such defenses by entering into this Stipulation.

Respectfully submitted,
